TWIN SOULS

SPIRITUAL PARTNERSHIPS (cont)

Human and Divine Relationships take on many forms, Suns of Light. Though you are embodied in carnal flesh and though you live on a planet of limitation, yet in Eternal Reality, there are NO limitations and all experiences culminate into the ONE reality. Yet most of you are bound by the limitations of time, space, flesh and separateness. Much of the time you are overpowered by concerns of these limiting experiences.

If you are drawn to another being mentally, spiritually or emotionally you may feel guilt because of other existing relationships. This is because, Hearts of My Heart, you are ignorant of the MANY needs for fulfillment the individualized Soul has! Reearth, with all its many scientific and mental advancements over the ages, has yet to comprehend the Soul and Its overwhelming needs. Due to this ignorant state among Earth beings, whenever a Soul-being 'embraces' many others in Its Emotional-Spiritual Field of Activity there is mis-understanding by the physical partner, by the other family members and by the social friends. We view this, from this Cosmic Realm, as a very sad condition!

As the Voice of Love and Light and Truth, I AM directed to explain to you, who are prepared to understand, the multi-relationships that exist and which MUST NOT be suppressed if the Soul is to G R O W and find fulfillment.

You are quite familiar with the physical partnership between the male and female egos which culminates most often in a marital union. Yet many are still unaware of the importance of this being ALSO a spiritual Union!! If more stress were made on blending souls in attunement with Cosmic Love there would be far less disturbances and misunderstandings regarding each other's other necessary relationships. When a male and female being unite they are expressing in flesh the negative-positive aspects of Life. If harmony and balance prevail in all their experiences, then there will be no friction, no 'short circuits', as they fulfill this part of the Plan for their Souls.

Less understood, however, is the SPIRITUAL PARTNERSHIP which exists between certain male and female egos. It is not always cosmically ordained that such a relationship be experienced with the physical partner. Certain Souls have need for multi-faceted relationships. When a partnership is solely on the Spiritual Level it is NOT necessarily that physical contact be regular. Such a relationship exists primarily on a Higher Level of Consciousness and the two Souls, male and female, 'meet' periodically though there may be thousands of miles separating them physically. In a Spiritual Partnership timelessness and spacelessness is totally understood. These Partners have no desire for the usual physical nuances common to the marital partnerships. Theirs is PURELY a joint union of Soul-Mind intent on purifying their Souls while performing Spiritual Duties in accord with Cosmic Direction. Theirs is an Eternal Union, that, from Lifetime to Lifetime, finds its Union after many obstacles have been met. These are the deep Spiritual Relationships which vibrate Eternally in the Twin Rays, manifesting DIVINE Love through their joint Service to Humankind. Even though one may leave the flesh-cage for Cosmic Flight, yet the Union is never broken. And later the Souls join in an Ethereal Union of Bliss when the other Soul also vacates Its flesh-cage. Then the two, as O N E, perform valuable service from this Realm of LIGHT as they integrate the Twin-Rays of the Negative-Positive Polarities in total Harmony and Balance.

Beloved, if you are Servers of Light you are endowed with many Gems of Purity. Your mind, your Soul, has been purified of gross

With each intake of breath mentally utter the Holy Sound! (AUM). The Pure Energy will then invigorate your being bringing to you the Awareness of the I AM (A U M) Presence which dwells in your Soul Temple. As you do this you will create within you a stronger bond with the ALL-Knowing Spirit of Truth. Beloved, your Hearts embrace the Eternal Flame which radiates all Pure Energy. Thru continuous contact with the Eternal Flame thru the Holy Sound you become more and more absorbed in Holy Love, seeking all beings as Sparks from this Flame. You will be 'in love' with all beings - it will be a revolutionary experience and one of great fulfillment. It is important, Blessed Servers of LIGHT, that you experience this higher form of LOVE in order that you may better understand the emotions you feel when encountering one who is an ordained Light Worker - or one who is ordained as your SPIRITUAL Partner. I have spoken a great deal of this relationship because of the acceleration now in progress on the planet and the need for these partnerships to be revealed to one another in order that the destined ones will perform their ordained tasks in accordance with Divine Will.

If, Beloved, you feel particularly drawn to one of the opposite sex and experience unusual emotions, be alert to the following signs for verification of this being a possible SPIRITUAL Union of SOULS (not bodies):

- 1) a feeling of great love WITHOUT the desire for sexual physical expression, and being also oblivious to physical appearance and age.
- 2) a great feeling of ease when in each other's company.
- 3) full rapport in all spiritual endeavor, cooperation with one another in the individual 'duties' assigned to each one by the Cosmic Directors.
- 4) total frankness and honesty with one another

- 5) no feelings of possessiveness toward the other.
- 6) easy 'mental' contact when necessary regardless of the miles between you.

As I have said before, these Blessed Unions are Cosmically ordained and have no bearing on the physical Earth life of the Partners. You live on TWO Planes: the physical plane and the Spiritual Plane...and if you are Workers and Servers of LIGHT you will be fully aware of both planes and will be able to cope as the dual being you truly are! Being ordained long ago and sent to Earth to fulfill your mission, you are to be active physical beings fulfilling certain mundane duties as you continue learning necessary lessons, and you must also fulfill the Spiritual Mission you came to perform. If you are raised in Spiritual Consciousness to the proper Level, you will be granted the privilege of knowing your Spiritual Twin and every opportunity will be given for you to work together, at least on the Mental Plane, to fortify the Work of LIGHT and to advance your own Soul. All SOULS yearn to become ONE with their Twin-Self for only in the full Realization of Spiritual Unity is there total happiness and release from delusive physical existence.

Breathe in the Cosmic Rays of Divine Love - be filled with the Holy Sound --- A U M... which fortifies your Spirit, opening your Eye of Wisdom, revealing to you the many 'mysteries' and unifying your Soul with Divine Soul of the Universe!! I AM THAT I AM, dwelling in you and working the Plan through you and through your Soul's Spiritual Partner....
